BILLY BREWER QUOTES

LSU is a great football team that deserves the #5 ranking in the nation. We fought our hearts out and played as hard as we could. (On Mark Young & John Darnell)...We rotated Mark and John and both played on well. We decided on each series who we should play. If one was doing well, we left him in. I was not afraid to play either. Turnovers in the second half just opened the flood gates and we just could not stay with them.

PLAYER QUOTES

STEVON MOORE:

We tried real hard. A couple of plays really hurt us and put us out of the ballgame.

TODD SANDRONI:

You have got to give the credit to LSU. They are a great football team. We played a good first half. We took a lot of chances on defense and got beat, but the coaches thought we couldn't play them straight up. It felt good to make the interception in the first half and I thought that it would be a turning point in the game, but a couple of mistakes in the second half put us out of the game.

MARK YOUNG:

(Referring to 3rd quarter turnover) Football is played on a lot of emotion and who has got the momentum. We were moving the ball down and had been doing it all night. They made a big play on defense and got the turnover which seemed to get the momentum changed. I don't think we ever quit. I think we gave it everything we had to get the momentum back, but it never came back.

Everybody who saw the game knows that Ole Miss came to play and we played LSU very good, but we made mistakes offensively and didn't capitalize when we were down on their goal line.

JOHN DARNELL:

I think we had our chances to beat them and we should have beat them. Turnovers and penalties got us again. It has happened all year. We got down there twice in the first half and had we gotten the touchdowns it would have been 14-14 at the half. We made mistakes and they capitalized on them. They are a good football team. There's no question about it, but we are too.

LSU QUOTES

HEAD COACH MIKE ARCHER --- "I am very happy with the performance of our players. We can't always wait until the second half to play to our capabilities. We're proud of our kids' effort. We played very hard. In the second half, we were able to take over. We were able to run the ball with great effectiveness. We made some big plays with Wendell and Roge catching the ball and Harvey running the ball and Tommy and Mickey throwing the ball. We were concerned with a week off that we would lose our edge. Tommy played very well in the first half at times and the penalties hurt us again. Very happy with the win and step number four (in the conference) and step number eight in our season goal.

(about injuries) --- "Tom (Hodson) will be alright. He got kicked in the knee - a helmet on the knee. We looked at him at halftime. We iced him and the doctors felt that he could play and he went back in and it stiffened up. He'll be fine, we just have to put him through treatment this week.

PLAYER QUOTES

WENDELL DAVIS --- "I felt great catching the ball. We had great opportunities throwing the ball. And we wanted to show what we could do. I felt we threw the ball well and proved what we could do.

HARVEY WILLIAMS --- "I felt good. I am real happy with the win. We got the bragging rights this year. We tried to make up for what happened last year. I'm real thrilled with the win. Everyone contributed tonight.

CHRIS CARRIER --- "We played good solid defense. We came out in the second half and made a few adjustments. (about goal line stand in game) "That's something we strive for."
